Quarterly Installment Payment Option for Real Estate Taxes

- Taxpayers may begin paying their real estate taxes on a quarterly basis.
 - Delinquent taxes and those paid by mortgage companies do not qualify.
 - Parcels must be current before an installment plan can be established.
 - Partial payments will not be accepted on personal property.
- In order to take advantage of this program taxpayers will need to do the following:
 - Sign up online, contact our office and we will mail you the information, or download a registration form from our website.
 - Form is filled out by taxpayer, agreeing to make pre-arranged payments on real estate taxes.
 - Payment methods: cash, personal check, cashier's check or money order.
 - Taxpayer must specify which parcel(s) they wish to pay in installments.
- Installments will be made on a quarterly basis. Payments will be based on the amount paid for the previous year. There will be three equal installments, with the fourth and final installment being the balance due. Taxes not paid in full by December 31st will result in late penalties and fees, which will be the responsibility of the taxpayer.
- Quarterly payment agreements should be received no later than March 15th to participate. This will allow ample time for three quarterly payments to be made prior to the final tax statement, which is mailed in November and due by December 31st.
- We will use a coupon sheet the taxpayer can tear off and mail.
 - The Collector's Office will mail out three coupons when you sign up. The coupons will allow the taxpayers to either mail or bring their payment into the office.
 - The payments will be deposited into a newly established escrow account. The coupons will show the parcel number, amount due, and payment date.
- It is the intent to have three equal installments, however, taxpayers not signing up for the plan by March 15th will have the option of doubling a payment to "catch up." The adjusted December amount due, will be higher if (only) two payments were received.
- The funds will not be distributed to the taxing entities until the entire amount is received. Interest earned on the quarterly payments will remain with the county.
- Postmarks will determine month of payment.
