

Wal-Mart volunteers make improvements at Barry Platte Park

On Saturday, June 20th, volunteers from the Wal-Mart on Boardwalk Avenue donated their time to paint and plant trees at Barry Platte Park. New trees were planted near the trail and parking lot and the picnic tables in the shelter received a fresh coat of paint.

Volunteers plant new trees around the Barry Platte parking lot.

The volunteers worked in very warm conditions but the heat did not deter them. They said that they were eager to come back for future work days.

Platte County Parks appreciates all of the efforts volunteers put into making county parks and trails more beautiful. For more information on volunteer opportunities, contact Platte County Parks at 816-858-3419.
