

## **Progress Update**

### **Sharps Station Road East Bridge Replacement**

**December 14, 2007**

#### **Scope of Work:**

Replacement of Sharps Station Road Bridge over Jowler Creek. Improvements include removal of the existing structure and construction of a three span concrete I girder bridge.

**Design:** Completed by George Butler and Associates, Inc.

#### **Property Acquisition:**

No additional property acquisition is expected. Work will be performed within existing easements and/or right-of-way. Some properties were contacted for temporary access.

#### **Utility Relocation:**

Platte County and the Contractor coordinated with the utilities to minimize conflicts.

#### **Bidding:**

Platte County requested bids June 28th 2007 and the contracts were signed September 6<sup>th</sup>. A notice to proceed was issued for Monday September 17<sup>th</sup>.

#### **Construction:**

The roadway was closed to all traffic in mid September. The final completion is scheduled for December 26<sup>th</sup>. The contractor is restoring the roadway and plans to open the road the week of December 17<sup>th</sup>.

While Sharps Station Road was chip and sealed this year the bridge project portion of Sharps Station Road will remain gravel until chip and seal work starts next season.
